1. THE SOUTHWEST AREA SERVICE COMMITTEE (ASC)

1.1 Suggested Guidelines

It is important to understand that these guidelines are not to be used as hard and fast rules or laws but rather as suggested guidelines, taken from our shared experiences. We recognize that the ultimate authority in the Southwest Area Service Committee is “A loving God as he may express himself in our group conscience.”

1.2 Definition

The Southwest Area Service Committee (ASC), a part of the California Inland Region (CIRNA), is a group of elected representatives of Narcotics Anonymous Groups, whose aim is to facilitate ways of “Carrying the message to the addict who still suffers.”

1.3 Purpose

The purpose of the Southwest Area Service Committee (ASC) shall be the administration and coordination of Narcotics Anonymous business and activities common to the various groups comprising its membership. Its aim is the furthering of the Narcotics Anonymous message in accordance with the Twelve Traditions and Twelve Concepts of Service of Narcotics Anonymous “That no addict seeking recovery need ever die...”

NOTE: Specifically excluded from the objectives of the ASC is the operation or promotion of any club, clubhouse, detox center, or related facilities; and the endorsement of any public or private projects on addiction or drug abuse as outlined in Tradition Six.

1.4 Boundaries

At this time, the geographical area serviced by this committee is bounded on the south by the San Diego County Line, in the west by the Orange County line, in the north by the Orange County line to Cajalco Road, east to Ramona Expressway East to Highway 79 North to I-10, east to Highway 243, and in the east by Highway 243 south to Highway 74 to Pine Meadow. (See Appendix 1 for a Map of Southwest Area Boundaries.)

1.5 Functions of the ASC

- A.** The communication of information to and from NA Groups through a Group Service Representative (GSR).
- B.** The distribution of NA literature.
- C.** The administration and maintenance of a 24-hour NA phone line and provision of a representative for quarterly California Inland Region (CIRNA) Phone Lines workshops.
- D.** To carry the message of NA through the Public Information subcommittee in accordance with the 11th Tradition and to provide a representative for quarterly CIRNA Public Information workshops.
- E.** To conduct a monthly business meeting.
- F.** To provide a Regional Committee Member (RCM) for active participation in the monthly CIRNA committee meetings.
- G.** To provide an Activities subcommittee for planning and implementation of social functions for the Southwest Area NA fellowship as a fundraising body, and to provide a representative to attend the CIRNA Activities subcommittee meetings.
- H.** To provide a post office box for the Southwest Area, to serve NA.
- I.** To plan and administer a Hospitals and Institutions (H&I) subcommittee and to provide a representative to attend CIRNA H&I quarterly workshops.
- J.** To Provide an Outreach Subcommittee to help new and struggling groups learn to help themselves and to provide assistance in questions of applications of the Traditions and Concepts.
- K.** To provide a Convention Committee Representative to attend CIRNA Convention Committee meetings.

2. ASC MEMBERS:

The ASC is comprised of GSR's from the Southwest Area Groups. ASC officers and trusted servants are elected by the GSR's. The ASC shall be limited to NA members only. **Election to the ASC should be as stated in the following sections.**

2.1 Group Service Representative (GSR)

In order to have a vote at ASC meetings a meeting must be in existence for sixty (60) days of weekly, continuous meetings. During those 60 days, its GSR attends two consecutive ASC meetings and becomes eligible to vote at the second ASC meeting.

It is suggested that each Group (meeting) hold elections for one GSR and one GSR Alternate on a yearly basis. The GSR Alternate shall fill in for the GSR if the GSR is absent or cannot complete their term in office. No GSR may represent more than one Group at a time in the Southwest Area.

The GSR speaks for their Group at ASC meetings and takes part in the planning and implementation of any functions which affect the members of their group. As a result of participation, the GSR will keep the group informed about what is happening in NA. A group member should always be able to go to the GSR and find out about activities, other groups, how the service structure of NA works, the Twelve Traditions and the Twelve Concepts of Service, and how an individual can become more involved.

It is suggested that a GSR serve for a period of two (2) years. The first year is spent as GSR Alternate, working closely with the existing GSR, learning the duties of office and taking over if the GSR is absent or cannot continue to serve. The second year, the GSR Alternate takes over the position of GSR, taking on the full responsibilities and functions of the position and, in turn, is assisted by a newly elected GSR Alternate.

This 'apprentice' system serves two purposes: first, it helps provide a continuity of service which never leaves the group unrepresented; and, secondly, the year spent as GSR Alternate provides the training necessary for a good GSR.

The election of a good GSR and GSR Alternate is probably the most important thing that an individual can do for the unity of NA.

The role of the GSR is not a simple one, nor is it to be taken lightly. In choosing a representative, it is important to remember that the GSR is the voice and ears of the Group at the Area level. To keep the Group well represented and well informed it is suggested that candidates for GSR have the following qualifications:

2.1.A. Suggested Qualifications for GSR

1. The willingness and desire to serve.
2. A minimum of one year of continuous recovery.
3. Active participation in the group they are to serve.
4. A good working knowledge of the 12 Steps, 12 Traditions, 12 Concepts of Service, and regular meeting attendance.
5. An understanding of the service structure of NA and the responsibilities of the GSR position.

2.1.B. GSR Attendance and Participation

1. Attend all Area Service Committee (ASC) meetings.
2. Attend Area and/or Regional forums, workshops and ad-hocs.
3. All GSR's are encouraged to participate on at least one area subcommittee.
4. Act as an advocate for the good of NA as a whole, not just the group.

The suggested requirements for GSR Alternate are the same as those for GSR, except for a minimum of six months of continuous recovery. The GSR Alternate should attend all ASC meetings with the GSR, and participate on subcommittees.

These qualifications are not hard and fast rules, but some of the things a Group should consider when selecting representatives.

The GSR, as described, is the Group's link to the rest of NA. It is suggested that when holding elections for GSR and GSR Alternate, that the description of the position and the suggested qualifications for nominees be read from the Guide to Local Service (GTLS).

Refer to the Guide to Local Service and Parliamentary Procedures (Robert's Rules of Order) for additional information or guidance.
5. The ASC shall conduct an annual ASC Inventory in August to review the ASC and its subcommittees performance during the past year and establish goals for the next year. An ad-hoc committee may be formed to review the inventory input and make suggestions to the ASC.
6. Use of the ASC letterhead for correspondence shall be ASC sanctioned and approved. A copy of all correspondence shall be submitted to the ASC Secretary to be placed in the ASC archives.
7. Upon being apprised of a group's meeting which is no longer being held, or other special circumstances, the GSR's may vote to remove that meeting from the directory, roll-call, and any other references, requiring a seconded motion and 2/3 vote of Quorum.
8. Any executive body member may, at the discretion of the ASC, execute a contract on behalf of the ASC and/or Southwest Area of NA.

4.4 Motion Procedures

1. A motion may be made by any ASC participant except for the Chairperson. There will be no further discussion until the motion is seconded. Only GSR's may second motions. Excluding the Chairperson and Vice Chairperson, unless either opinion is requested by the ASC, any ASC participant shall be allowed to participate in the discussion of any motion.
2. The motion is introduced by the Chairperson via a motion card submitted by an ASC participant. Any clarification of the motion or its intent shall be directed to the maker of the motion.
3. Motions and other procedure may be called out-of-order at the discretion of the Chairperson. The Chairperson may be overruled by a majority vote of the quorum present (51%).
4. All motions must be seconded before discussion begins. Motions pertaining to procedure must obtain a 51% majority from quorum present in order to pass. Motions pertaining to monies and/or amending the ASC guidelines must obtain a 2/3 majority vote from quorum present in order to pass.
5. Once a motion has been seconded, discussion may begin. Discussion will be limited to 2 pros, 2 cons, and 2 points of interest. Discussion may be extended at the discretion of the Chairperson, or by a majority vote of the quorum present (51%), adding 2 more of each: pros, cons, and points of interest.

7. Amendments to a motion will follow the same procedures as motions.
8. Amendments to the motions must be accepted by the participant who made the original motion and the GSR who seconded the motion.
9. A motion to table supersedes all other motions and/or discussion and must be addressed immediately after it has been made and seconded. The motion to table requires a majority vote (51%) of quorum present.
10. A motion may be rescinded by the original maker and seconder of that motion prior to voting on the motion. Both the maker and seconder must agree to rescind the motion, otherwise the motion stands and must be voted on.

2. If a Group remains unrepresented at three (3) consecutive ASC meetings, they are considered an inactive group and lose their vote. To become reinstated, the Group's GSR or GSR Alternate must attend the next two (2) scheduled ASC meetings.
3. A quorum at all ASC meetings shall consist of a simple majority of all Groups active (voting) within the Southwest Area, but not less than 50%. All votes involving matters, unless otherwise defined, shall be by a simple majority of quorum present (51%). Disbursement of funds requires a 2/3 majority vote of quorum.
4. A quorum of at least 50% of the active (voting) groups must be present in order to conduct fiduciary business.
5. After all motion procedures have ended, the motion will go to the floor for a vote. This vote will be taken by voice vote, hand count, or roll call vote at the discretion of the Chairperson. Upon request by a GSR or GSR Alternate, the type of vote taken may be determined by a majority vote (51%) of quorum present.
6. In ASC business meetings, only GSR's or their Alternates may vote. In case of a tie, the Chairperson must break the tie. In matters of special determination, (e.g. matters directly affecting the entire Southwest Area) the Chairperson may refer the matter back to the Groups for further discussion and direction. Each group has only one vote.
7. A phone vote may be taken outside the confines of the regular ASC meeting upon the Chairperson or Vice Chairperson being apprised of a matter which requires immediate attention. Quorum shall be calculated from all voting meetings. 4.7 Financial Procedures

1. The ASC shall maintain funds in a Prudent Reserve and conduct its financial business from funds held in an Operating Reserve. These monies shall be maintained in a single checking account, but reported separately by the area Treasurer.
2. The Prudent Reserve is an amount held in reserve for emergencies or occasions when the ASC exhausts the funds within its Operating Reserve. The amount of the prudent reserve shall be \$600. The Treasurer will inform the ASC immediately when it is necessary to use funds from the Prudent Reserve, and all ASC and ASC-funded subcommittee operating budgets will be suspended until the ASC reaches its prudent reserve. All expenditures, outside of outstanding bills and prior expenditures requiring reimbursement, will require a 2/3 vote of Quorum.
3. No funds will be added to the Operating Reserve until the Prudent Reserve is fully restored to its cap.
4. The Operating Reserve is a capped, or limited, amount of funds which serves as the ASC's operating capital. The Operating Reserve shall be \$1,500, which includes the \$600 Prudent Reserve. The Operating Reserve serves to provide a mark beyond which funds should be prudently donated to the California Inland Region of NA (CIRNA) and NA World Services (NAWS).
5. On a quarterly basis, the ASC shall donate funds above its Operating Reserve to CIRNA and NAWS using the following schedule:

NOTE: All quarterly donations shall be divided shall be divided between CIRNA and NAWS, with 75% of the funds flowing to CIRNA, and 25% to NAWS.

January – 100% of the funds above the ASC's Operating Reserve
April – 50% of the funds above the ASC's Operating Reserve
July – 50% of the funds above the ASC's Operating Reserve
October – 50% of the funds above the ASC's Operating Reserve
6. A donation to CIRNA and/or NAWS may be made at any ASC meeting throughout the year, requiring a seconded motion and a 2/3 vote of Quorum.
7. On a yearly basis, at its November meeting, the ASC shall review its Prudent Reserve and Operating Reserve, and adjust these caps as needed. Changing the Prudent Reserve and/or Operating Reserve requires a 2/3 vote of quorum.
8. If two (2) ASC Officers live at the same residence, then only one may have signing authority on any ASC or subcommittee bank account.
9. Two (2) signatures shall be required on all checks written on ASC and subcommittee accounts.
10. No personal checks will be accepted by the Treasurer at the ASC.
11. In December and June, audits shall be conducted of the ASC, LDO, and subcommittee checking accounts and inventories. The December audit shall be conducted after elections are held, and include outgoing and incoming officers. The ASC Chair or Vice Chair, and ASC Treasurer or Vice Treasurer should participate in all audits.

4.8 Procedure For Dealing with Misappropriation of NA Funds

1. Misuse or Misappropriation of NA funds will not be tolerated. The following is an outline of the process that will be followed if a misappropriation is suspected and or reported.
2. An immediate and thorough review of all books and financial records shall be conducted to make sure the funds were actually misappropriated.
3. What was the amount misappropriated?
4. Who misappropriated the money?
5. What failing in the accounting procedures and safeguards allowed this to happen?
6. A special meeting of the ASC shall be convened within seven days of the confirmation of the misappropriation. The format of the special meeting shall allow sufficient time for everyone involved to express his or her concerns. Everyone is encouraged to focus on spiritual principles, while deciding on the best course of action.
7. The individual(s) accused of the misappropriation of funds shall be informed of the meeting and given the opportunity to present his or her point of view.
8. If the individual(s) does not appear at the special meeting, the ASC shall ensure that every effort to contact the person(s) has been made.
9. The committee shall use certified mail and send a letter explaining that an audit of financial records has been performed, that facts show the individual(s) is responsible for the missing money, that repayment is expected, and what the consequences will be if the individual(s) does not respond to the letter.
10. Copies of the letter shall be deposited in a safe place for further reference.
11. If the individual(s) admits to the misappropriation and agrees to pay back the missing funds, a legally binding restitution agreement shall be developed, utilizing legal advice if necessary.
12. Such an agreement can include regular payments at any interval acceptable to all involved until the full amount is repaid, though it is best to not drag out the process.
13. The individual(s) shall be informed that, if the restitution agreement is not adhered to, the committee may take legal action based on the signed and witnessed restitution agreement.
14. Regular reports on the status of the restitutions agreement shall be reported to the ASC until the agreement is satisfied.
15. Copies of the restitution agreement shall be deposited in a safe place for further reference.
16. If the individual(s) refuses to repay the money, or agrees to a plan but does not follow it, or if the person(s) has disappeared, it may be appropriate to take legal action.
17. The decision to take legal action is an option that does not compromise traditions or spiritual principles, but should be a last resort, opted for only when everything else has been tried.
18. The decision to prosecute shall be thoroughly explored before going ahead, using area/and or regional service committees, the WSB, and the WSO as resources.
19. Should the Area decide to take legal action, requiring 2/3 majority vote of quorum present, the ASC Chairperson is to be the single point of accountability, named as plaintiff on behalf of SASCNA (Southwest Area Service Committee of Narcotics Anonymous)
20. Balancing spirituality with responsibility, the individual(s) shall be removed from his or her service position, and shall not be considered for another position until he or she has dealt with the issue.
21. A printed report about the situation shall be provided to all ASC participants, and regular reports on the status of the situation shall be maintained until this matter has been resolved. Protecting the identity of the person(s) involved is secondary to being accountable to the fellowship for its funds.

7. THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

- 875 1. Our common welfare should come first; personal recovery depends on NA unity.
- 876 2. For our group purpose there is but one ultimate authority – a loving God as he may express
- 877 Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
- 878 3. The only requirement for membership is a desire to stop using.
- 879 4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
- 880 5. Each group has but one primary purpose – to carry the message to the addict who still
- 881 suffers.
- 882 6. An NA group ought never endorse, finance, or lend the NA name to any related facility or
- 883 outside enterprise, lest problems of money, property or prestige divert us from our primary
- 884 purpose.
- 885 7. Every NA group ought to be fully self-supporting, declining outside contributions.
- 886 8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may
- 887 employ special workers.
- 888 9. NA, as such, ought never be organized, but we may create service boards or committees
- 889 directly responsible to those they serve.
- 890 10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be
- 891 drawn into public controversy.
- 892 11. Our public relations policy is based on attraction rather than promotion; we need always
- 893 maintain personal anonymity at the level of press, radio, and films.
- 894 12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place
- 895 principles before personalities.

8. THE TWELVE CONCEPTS FOR NA SERVICE

- 896 1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a
- 897 structure which develops, coordinates, and maintains services on behalf of NA as a whole.
- 898 2. The final responsibility and authority for NA services rests with the NA groups.
- 899 3. The NA groups delegate to the service structure the authority necessary to fulfill the
- 900 responsibilities assigned to it.
- 901 4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be
- 902 carefully considered when selecting trusted servants.
- 903 5. For each responsibility assigned to the service structure, a single point of decision and
- 904 accountability should be clearly defined.
- 905 6. Group conscience is the spiritual means by which we invite a loving God to influence our
- 906 decisions.
- 907 7. All members of a service body bear substantial responsibility for that body's decisions and
- 908 should be allowed to fully participate in its decision-making processes.
- 909 8. Our service structure depends on the integrity and effectiveness of our communications.
- 910 9. All elements of our service structure have the responsibility to carefully consider all
- 911 viewpoints in their decision-making processes.
- 912 10. Any member of a service body can petition that body for the redress of a personal grievance,
- 913 without fear of reprisal.
- 914 11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
- 915 12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be
- 916 one of service, never of government.
